

Summer School - 2011
“Multilevel analysis in comparative studies”
- Program -

SUNDAY, AUGUST 21

12:00 – 13:30	arrival, accommodation setting
13:30 – 14:30	lunch
14:30 – 15:00	meeting for LCSS employees
15:00 – 16:00	opening (E.Ponarin, Ch.Welzel, D.Alexandrov)
16:00 – 18:00	group activity (team-building tasks)
18:00 – 19:00	dinner
19:00 – 21:00	group activity (getting to know each other)

MONDAY, AUGUST 22

8:00 – 8:45	breakfast
8:45 – 9:15	registration of participants

Scholar session 1: Multilevel Analysis with HLM by prof. H.Dülmer

9:15 – 10:30	lecture 1: General Introduction into Multilevel Analysis
10:30 – 10:45	short break
10:45 – 12:15	lecture 2: Basic Types of Multilevel Models, Comparison: OLS-Regression and Multilevel Analysis
12:15 – 13:30	lunch

Scholar session 2: Analyzing Culture with WVS Data by prof. Ch.Welzel

13:30 – 15:30	lesson 1: Theorizing Emancipative Values
15:30 – 16:00	coffee break

Working session 1: Presentations by participants of their progress reports (discussants: Ch.Welzel, J.Dronkers, A.Almakaeva)

16:00 – 16:15	speaker 1: E.Varshaver, The Effect of Values on Ethnic Cleavages in Global Cities
16:15 – 16:40	discussion
16:40 – 16:55	speaker 2: V.Titkova, Values and Wars: The Level of Modernization and Causation of Conflicts

17:35 – 18:00	discussion
18:00 – 19:00	welcoming dinner
19:00 – 21:00	personal consultations with professors

TUESDAY, AUGUST 23

8:00 – 9:00 breakfast

Scholar session 3: Multilevel Analysis with HLM by prof. H.Dülmer

9:00 – 10:30 PC Exercises 1: Introduction into HLM, Analysing an Example Data Set

10:30 – 10:45 short break

10:45 – 12:15 PC Exercises 1 continued: Introduction into HLM, Analysing an Example Data Set

12:15 – 13:30 lunch

Scholar session 4: Analyzing Culture with WVS Data by prof. Ch.Welzel

13:30 – 15:30 lesson 2: Measuring Emancipative Values

15:30 – 16:00 coffee break

Guest lecture: The educational performance of children of immigrants in 16 OECD countries by prof. J.Dronkers

19:00 – 21:00 personal consultations with professors and experts

WEDNESDAY, AUGUST 24

8:00 – 9:00 breakfast

Scholar session 5: Multilevel Analysis with HLM by prof. H.Dülmer

9:00 – 10:30 lecture 3: Interaction Effects and their Conditional Interpretation

10:30 – 10:45 short break

10:45 – 12:15 lecture 4: Conditional t-values and their Computation, Explained Variance

12:15 – 13:30 lunch

Scholar session 6: Analyzing Culture with WVS Data by prof. Ch.Welzel

13:30 – 15:30 lesson 3: The Multi-Level Determinants of Emancipative Values

15:30 – 16:00 coffee break

**Working session 2: Presentations by participants of their progress reports
(discussants: Ch.Welzel, V.Magun, S.Kroitar)**

- 16:00 – 16:15 speaker 4: M.Rudnev, Comparison of the Predictive Power and Predictability of the Inglehart and Schwartz Value Concepts
- 16:15 – 16:40 discussion
- 16:40 – 16:55 speaker 5: O.Gryaznova, Collectivistic and Individualistic Values as Factors Affecting Subjective Conceptions and Evaluations of State Social Support
- 16:55 – 17:20 discussion
- 17:20 – 17:35 speaker 6: Ch.Swader, L.Kosals, Informal Relationships and Modernization in transformation countries and beyond
- 17:35 – 18:00 discussion
- 18:00 – 18:15 speaker 7: A.Almakaeva, Out-group Trust and Its Determinants: An Example of In-group Trust
- 18:15 – 18:40 discussion
- 18:40 – 19:40 dinner
- 20:00 – 21:00 sport competition

THURSDAY, AUGUST 25

- 8:00 – 9:00 breakfast

Scholar session 7: Multilevel Analysis with HLM by prof. H.Dülmer

- 9:00 – 10:30 PC Exercises 2: Introduction into HLM, Exercises on Interaction Effects
- 10:30 – 10:45 short break
- 10:45 – 12:15 PC Exercises 2 continued: Exercises on Interaction Effects, Computing Explained Variance
- 12:15 – 13:30 lunch

Scholar session 8: Analyzing Culture with WVS Data by prof. Ch.Welzel

- 13:30 – 15:30 lesson 4: Explaining Change in Emancipative Values
- 15:30 – 16:00 coffee break

**Working session 3: Presentations by participants of their progress reports
(discussants: L.Kosals, A.Zakharov, T.Karabchuk)**

- 16:00 – 16:15 speaker 8: E.Prutskova, Impact of Religiosity at Attitudes Towards Abortion
- 16:15 – 16:40 discussion

- 18:00 – 19:00 dinner
- 19:00 – 21:00 music event

FRIDAY, AUGUST 26

8:00 – 9:00 breakfast

Scholar session 9: Multilevel Analysis with HLM by prof. H.Dülmer

- 9:00 – 10:30 lecture 5: Chi-square Test for Variance Components, Empirical Bayes Estimation, Fit-Measures for Model Comparison (Likelihood Ratio Test, AIC, BIC)
- 10:30 – 10:45 short break
- 10:45 – 12:15 lecture 6: Computing Standardized Regression Coefficients, Logistic Multilevel Analysis
- 12:15 – 13:30 lunch

Scholar session 10: Analyzing Culture with WVS Data by prof. Ch.Welzel

- 13:30 – 15:30 lesson 5: The Democratizing Consequences of Emancipative Values
- 15:30 – 16:00 coffee break

Working session 4: Presentations by participants of their progress reports (discussants: R.Inglehart, D.Alexandrov, A.Nemirovskaya)

9:00 — 10:00 breakfast

– Day off –

– NO lunch and NO dinner in the Hotel –

MONDAY, AUGUST 29

8:00 – 9:00 breakfast

Scholar session 11: Multilevel Analysis with HLM by prof. H.Dülmer

9:00 – 10:30 PC Exercises 3: Weighting in Multilevel Analysis

10:30 – 10:45 short break

Scholar session 12: Analyzing Culture with WVS Data by prof. Ch.Welzel

10:45 – 12:15 practical workshop 1

12:15 – 13:30 lunch

Scholar session 13: Introduction to R by prof. E.Ponarin

13:30 – 15:30 lesson 1: R environment. Simple statistics in R
15:30 – 16:00 coffee break

Working session 7: Presentations by participants of their progress reports
(discussants: R.Inglehart, E.Ponarin, A.Shcherbak)

16:00 – 16:15 speaker 19: M.Fabrykant, Patterns of Nationalism in Post-Soviet States

18:00 – 19:00 dinner

19:00 – 21:00 film screening

THURSDAY, SEPTEMBER 1

8:00 – 9:00 breakfast

Scholar session 20: Multilevel Analysis with HLM by prof. H.Dülmer

9:00 – 10:30 practical workshop 2: Presentation and Discussion of Own Multilevel Research Results

10:30 – 10:45 short break

Scholar session 21: Analyzing Culture with WVS Data by prof. Ch.Welzel

10:45 – 12:15 practical workshop 4

12:15 – 13:30 lunch

Scholar session 22: Introduction to R by prof. E.Ponarin

13:30 – 15:30 lesson 4: Structural equation models in R

15:30 – 16:00 coffee break

Working session 10: Presentations by participants of their progress reports (discussants: E.Ponarin, Ch.Swader, R.Inglehart)

16:00 – 16:10 speaker 27: E.Kuldina, dissertation project

16:10 – 16:35 discussion

16:35 – 16:45 speaker 28: M.Ravlik, dissertation project

16:45 – 17:05 discussion
